

Grades

Use the Grades tool to check your grades on assignments and tests. You can see your individual grades and comments, as well as class averages and feedback. You can also view your final grade and the grade formula used to evaluate you once your instructor releases your grades.

Accessing the Grades Tool

To access your grades, Click on Grades on the course menu bar

The Grades tool will open. When your grades are published, they appear on your personal Grades page in the course.

The screenshot displays the Grades tool interface. At the top, it shows the 'Final Adjusted Grade' as 34 / 40 points, which is equivalent to an 85% grade. A 'Print' button is visible in the top right corner. Below this, the 'Grade Items' section is presented in a table format. The table has columns for 'Grade Item', 'Points', 'Grade', and 'Comments'. The items listed are Quizzes (Quiz 1 and Quiz 2), Essays (Major Essay), and Important Information. Each item includes its score and percentage, and a link to view individual comments or assessment details. Annotations with orange arrows point to specific elements: 'Click to print' points to the Print button; 'Click to view how the final grade was calculated' points to the 34 / 40 points; 'View individual comments' points to the 'Individual Comments:' link for Quiz 1; 'Your grades' points to the 80% grade for Quiz 2; 'Click to see how your class performed' points to the 'Essays' section header; and 'Click to view assessment details' points to the '[Assessment details]' link for Important Information.

Grade Item	Points	Grade	Comments
Quizzes			
Quiz 1	9 / 10	90 %	Individual Comments: Great start!
Quiz 2	8 / 10	80 %	Your grades
Essays			
Major Essay	8 / 10	80 %	Individual Comments: Very good Idea, good thesis, but I needed just a little more; you just missed.
Important Information	9 / 10	90 %	[Assessment details]

View Statistics

Depending on how your grades are set up, you might also be able to view comments and overall class performance statistics.

Select the statistics icon  next to the statistics you would like to see.
