

## Online Campus Homepage

Once logged in, the CoSCC Online Campus Homepage is displayed. This is not the course homepage. Items on this page include Links and Widgets.

The screenshot shows the CoSCC Online Campus homepage. At the top, there is a navigation bar with 'My Home | Help | Logout' and a welcome message 'Welcome, teststudent | May 13, 2008'. Below this is the Columbia State Community College logo and the 'Online Campus' title. The main content area is divided into several sections: 'News' with an 'Online Campus Update' dated May 8th - May 14th; 'Technical Problems' with important information about ChargerNet; 'Helpdesk Information' with a 'Need Help?' section; 'Columbia State Community College's Online Campus' with a recommendation to use Internet Explorer 6.0 or better; 'My Columbia State Community College Courses' with a list of courses including Spring 2008, Summer 2008, and Training; and 'CoSCC State Links' with various service links like Counseling, Disability Services, and Library.

Widgets can be static, displaying the same information throughout the semester.

This is a close-up of the 'Helpdesk Information' widget. It features a 'Need Help?' heading and provides contact information for the helpdesk, including an email address (helpdesk@columbiastate.edu), a phone number (931) 540-2650, and a fax number (866) 451-3472. It also includes instructions to include as much detail as possible when contacting the helpdesk.

Widgets can also be dynamic, displaying updated data as needed.

This is a close-up of the 'News' widget. It displays an 'Online Campus Update' dated 'May 8th - May 14th', stating that the Online Campus was updated to a new version.

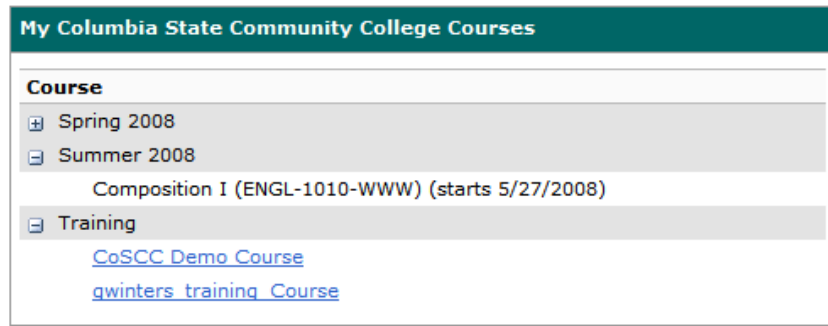

## Accessing Courses

Once you have logged on to the Columbia State Community College Online Campus you may not see a course listed. Where you need to look is under "My Columbia State Community College Courses". You should see a semester listing.

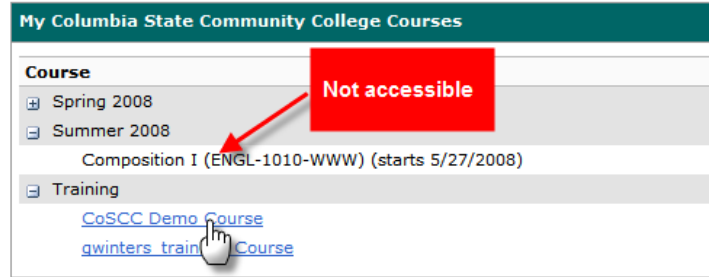

Click on the plus (+) sign next to the semester

This screenshot is similar to the one above but includes a red arrow pointing to the plus sign next to the 'Spring 2008' semester listing in the 'My Columbia State Community College Courses' section. The arrow is accompanied by the text: 'Click the Plus (+) sign to show courses below the semester.'

If you do not see a course listed and you have registered for the Internet or hybrid course, or you know for fact that your instructor is using Online Campus, please contact the Information Technology department for assistance.

To access the course content, click on the course name. If the course is "grayed" out, it may be over or the semester may not have started.

To return to the CoSCC Online Campus homepage, click "My Home" on the top menu bar.
