Grades

Use the Grades tool to check your grades on assignments and tests. You can see your individual grades and comments, as well as class averages and feedback. You can also view your final grade and the grade formula used to evaluate you once your instructor releases your grades.

Accessing the Grades Tool

To access your grades, Click on Grades on the course menu bar

The Grades tool will open. When your grades are published, they appear on your personal Grades page in the course.
View Statistics

Depending on how your grades are set up, you might also be able to view comments and overall class performance statistics.

Select the statistics icon next to the statistics you would like to see.
