User Progress

The User Progress tool helps students track their progress in a course by measuring their completion of 9 different progress indicators. Instructors can also use the User Progress tool to track students' overall progress and prepare progress reports, while students can use User Progress to keep track of all of their course-specific assignments and feedback. Progress reports are available for the following progress indicators:

- Grades
- Objectives
- Content
- Discussions
- Dropbox Folders
- Quizzes
- Checklist
- Surveys
- Login History

Accessing the User Progress

1. From within the course, click the drop arrow next to your name
2. Select Progress.

Select Summary or Individual Items

Select an item on the left menu bar.

Some items can be expanded to see more details.
You can print your summary, item results, or select the settings options to select or deselect specific items.
